

## Environmental Policy in the City Hall of Plock

In the frame of the city`s sustainable development strategy, our organization acts in favour of continuous improvement of Plock` citizens life quality. This objective is being realized through efficient and professional execution of tasks with a special emphasis on the protection of natural environment.

We pay special attention to:

1. abiding by the legal regulations and voluntary accepted norms in environmental protection,
2. taking into consideration ecological conditions in every phase of the process of creation of legal acts connected with environmental protection and within administrative procedures,
3. taking into consideration rules of sustainable development and keeping biodiversity in all aspects our activity,
4. preparing, improving and realizing of environmental programs, plans, objectives and tasks, which care for environmental resources and tend to reduce organization`s negative impact on environment, also to prevent environmental pollution,
5. implementing rules of environmental management system and cyclic checking implementation`s propriety,
6. joining all personnel in realization of environmental management system, according to their functions, competences and responsibilities,
7. sharing environmental experience,
8. initiating of ecological education,
9. propagating ecological activities in EMAS abroad.

Top management of the City of Plock ensures the availability of resources essential to implement, maintain and improve our environmental management system.

Mayor of the City of Plock is responsible for realization of the Environmental Policy.

City Hall maintains environmental management system that conforms to the requirements of ISO 14001 and EMAS Policy, to continually improve performance of the activities, including cyclic reviews of environmental targets and tasks. Effectivity of environmental management system is systematically evaluated all the time.

Text of the Environmental Policy was signed by the Mayor of Plock, copied and distributed through personnel of the City Hall, and is also available on the official city website.

Mayor of Plock  
Miroslaw Milewski

Plock, 11<sup>th</sup> September 2006
